KLNIK & The Lash Lab Manchester are delighted to announce the arrival of The Lash Lab Cheshire.

With an impressive celebrity & influencer following, expert lash technician Rebecca, has built a cult following for her lash extensions, LVL's and client favourite, Dermaplaning.

Dermaplaning removes all the dead skin cells and also facial hair, leaving the surface very smooth. Dermaplaning treatments include relaxing hand and arm massage.

Dermaplaning also allows for greater penetration of skincare products and creates a flawless canvas for makeup to glide on smoothly.

KLNIK are thrilled to add Rebecca's services to our ever expanding treatment menu.
